

QUALITY POLICY

Motion Dynamics Corporation is dedicated to building long-term relationships with customers by providing high quality products, being the best at what we do, and by demonstrating a commitment to the continual improvement of the quality management system.

QUALITY OBJECTIVES

- Responsiveness: Keep Average Lead Time for Non-Source Inspected New Part Orders < 25 Days.
- Timeliness: Achieve $\geq 95\%$ On-Time Shipping.
- Quality: Keep Customer Credits < 2% of Sales.
